

Aquaease™ SL PT

Aquaease SL PT is an industrial strength, all-purpose cleaner and degreaser. This highly concentrated cleaner effectively removes grease, grime, oily films, soap scum and particulate soils and is extremely free rinsing. Controlled foaming agents make Aquaease SL PT the ideal product for automatic scrubbers and spray applications where foam is a problem. Aquaease SL PT can be used for cleaning trucks, metals, floors, walls, plastics, vinyl, and for wax stripping.

Aquaease SL PT is an economical and safe cleaner in which alkalis, synthetic detergents and solvents act synergistically to handle many soils generally requiring strong chemical cleaners. When used as directed, it is safe for nearly any cleaning job.

Features & Benefits

Concentrated all-purpose cleaner and degreaser	Effectively removes grease, oil, and soap scum
Ideal product for automatic scrubbers	Excellent for cleaning metals, floors, plastics, vinyl, and wax stripping

Physical Data

Specific gravity	1.18
Solubility in water	Complete
Appearance and odor	Yellow to Amber, Mild Sweet odor
pH 10% solution	7.5 – 8.5
pH concentrate	8 – 9

Operating Conditions

<u>Application</u>	<u>Dilution</u>	<u>oz/Gal</u>	<u>pH</u>
General Cleaning	1:20	6	12-13
Light Duty	1:40	3	
Heavy Duty	1:10	12	
Steam Cleaning	1:50-100	2-5	
Pressure Spray	1:25-50	2-6	

Heavy Degreasing	1:5-20	6-24
Automatic Scrubbers	1:50-100	2-5
(Varies greatly with specific equipment)		

Caution
